Thanks to a great group of ten fellows from 4 states (CA, GA, AL, FL) who installed new trusses and a metal roof on our school chapel at Biclairé!

***Then & Now***

The picture at right was taken on the front porch of the mission house in 1976 when Guy Etienne and Margarete Vincente were orphans at GSM. The picture at left was taken this year on the 2nd floor porch of the Milot Elementary school. Guy is now the principal at our Milot school, a husband, father of 3, and devout Christian. Margarete is a teacher at our Milot elementary school, a wife, mother of 2, and devout Christian. **Exciting !**

## GSM:

- ▶ Continuing the Christian Education and Discipleship of nearly 2000 Haitian children in 3 villages.
- ▶ Sending them out as missionaries to their own people.
- ▶ Changing a nation by changing Hearts - one child, one person at a time.

*"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."*

- Matthew 28:19

### Biclaire High School

Thank you all! With your support, prayers, and help, our new high school in Biclaire is up and running with our "Class of 2015" already in session! Next year we will enroll the "Class of 2016"! We will have a "paint team" add the finishing touches this summer. Beautiful!

### Claiming a Nation for Christ!

During one of our recent GSM Pastor's Bible Conferences we heard this testimony from one of the attendees, Pastor Fan-Fan Victor (pictured at right), from the village of Plaine de Nord:

*"Twenty years ago our village had eleven voo-doo priests. Now we are down to three. Some have died. Some have been saved."*

**Alleluia!**

### Meet Our Savane Carre Principal

Elilianne James is a Christian, married with 2 children, and does a wonderful job.

### Another Then & Now

At right, Christian Lavaux, as an orphan, in 1976 on the steps of the mission house. Today Christian is a husband, father of 3, and a man of a truly amazing faith. He serves with GSM as chief of our compound operations, just under Bill. God made wonderful provision for the ongoing work of GSM when He brought Christian to us 35 years ago. **Alleluia!**

## Recipe for ...

Take the aftermath of a catastrophic earthquake, add a cholera epidemic, and top it off with the worst U.S. economic downturn in many of our lifetimes, and you might expect this to be the worst of times for GSM. But the last year has been one of the most exciting and productive years for GSM in recent memory. God has been blessing the work, His Spirit is moving powerfully among the Haitian people, and much has been, and is being, accomplished.

### God is Faithful ...

We have learned that the Kingdom of God is not subject to the economic cycles of the U.S. economy, and, that God's people are truly faithful. Thank you so much for being a part of the work of GSM. Our prayer is that God will richly bless you, as you have been such a blessing to us.

We wish we could tell you about everything God is doing at GSM, but this is all our letter will hold for this month. We love you. Thank you.

**And God bless you all.**
